**Special Notes:** All Cross Stitches and Back Stitches use Two strands of floss. Floss comes in 6 strands. Cut a comfortable length to work with then separate gently floss strands to thread your needle with.

Shaded areas show overlapping with prior page.

**Finishing :** After you have completed all your stitches, examine your piece. If the fabric is soiled, you may hand wash the piece with a mild detergent and allow to air dry flat. Iron your piece placing a damp pressing cloth (a pillowcase will work) over it. Let the steam take out any creases without flattening your work. While the fabric is damp you can slightly stretch your fabric into a more perfect square if necessary. Clip away any excessively large knots and loose threads.

Easily mount and frame using a standard 8 x 10 inch frame. Now you have a beautiful piece of artwork to display, enjoy, and share for years to come!
